

ONE-STOP INTERCONNECT SOLUTION PROVIDER

For over 30 years, Lianbang has manufactured the connections behind world-leading companies. From copper drawing and cable forming to precision components and final assembly, we bring manufacturing depth to every connection, giving you a direct path from design to production.

HIGH-SPEED CABLE & INTERCONNECT SOLUTIONS

PCIe Cable

MCIO Connection Cable

Mini SAS HD Cable

SlimSAS SFF-8654 Cable

MiniSAS SFF-8088 Cable

MiniSAS SFF-8643 Cable

GenZ Connection Cable

Mini SAS Cable Assembly

SAS SFF-8087 to SFF-8087

ALSO AVAILABLE

800G QSFP-DD ACC / 400G QSFP-DD AOC / 100G QSFP28 AOC / SAS SFF-8482 M-to-F

OUR PRODUCT CATALOG ALSO INCLUDES

Automotive Wire Harnesses

Electric Tool Wire Harnesses

Industrial Wire Harnesses

Imaging Equipment Harnesses

Home Appliance Harnesses

Consumer Electronics Harnesses

Share your drawing, sample or application requirements to start a technical discussion.

BUILT FROM THE WIRE UP.

Integrated processes. Production capacity. Manufacturing depth.

MANUFACTURING FACILITY

HO CHI MINH CITY, VIETNAM

PRODUCTION WORKSHOPS

6 LINES

Bare Wire & Copper Drawing

25 LINES

Conductor Processing & Cable Forming

50 LINES

Connector Hardware Stamping

8 LINES

Continuous Hardware Stamping

8 LINES

Mold Manufacturing

18 LINES

Plastic Injection Molding

10 LINES

3D Printing

10 LINES

CNC Machining & EDM

65 LINES

Assembly Operations

SMT, DIP & PRODUCTION TESTING

12 SMT LINES / 2 DIP LINES / 4 TESTING LINES

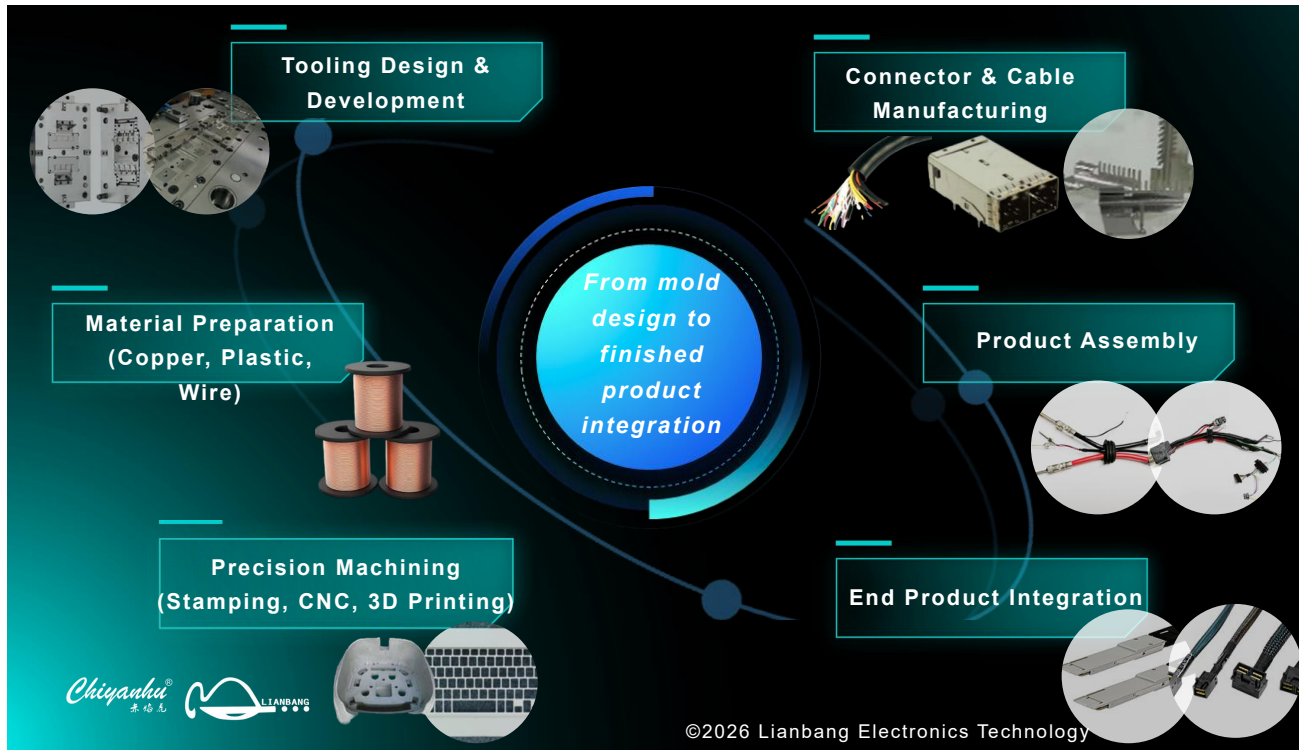

SMT: 4 Siemens + 8 Panasonic lines; SPI, AOI and nitrogen capability.

ISO 9001 / 14001 / 13485 / 45001 / IATF 16949. Certification scope varies by site.

CAPABILITY YOU CAN BUILD ON.

INTEGRATED MANUFACTURING & INDUSTRIAL ECOSYSTEM

LABORATORIES & TEST EQUIPMENT

Electrical: Hi-pot, insulation resistance, open/short circuit, temperature rise, surge and leakage current. Mechanical: Pull force, cross-section, vibration, flexing, torsion and drag-chain testing.

Environmental: Temperature/humidity, aging, water shower and salt spray. Chemical: ICP, XRF and GC-MS for RoHS analysis. Calibration: Internal and third-party calibration.

SELECTED CUSTOMERS

Amphenol

molex

Honeywell

JABIL

YASKAWA
安川電機

flex

ABOUT LIANBANG

Based in Dongguan, China, Lianbang Electronics manufactures high-speed cables, custom wire harnesses, precision connectors and electronic assemblies across six production bases in China and Vietnam.

30+

YEARS OF EXPERIENCE

2,000+

EMPLOYEES

6

PRODUCTION BASES
China + Vietnam

30,000 m²
